June 1st, 2019

Product Specification

Introducing the new ARB Seat Skin seat covers for the Jeep Wrangler JL. Designed with durability in mind, the Seat Skins hug seamlessly to your seats while providing the same level of safety from the OE manufactured seats with inbuilt airbag stitching for rapid deployment in emergencies. ARB Seat Skins incorporate the popular topographic ARB print highlighted with red stitching to provide a sleek look inside your vehicle.

Thick 3mm premium thermoset elastomer provides a firm fit preventing damage to the OE seat. Further reducing movement on the seat is the rubber backing which is bonded to the Seat Skin.

Independently airbag tested and certified, ARB Seat Skins utilize a high-quality stitch pattern provide safe deployment of the SRS airbags fitted to the seats and does not interfere with their intended deployment. Sold in front row set (including center console cover) and second row set.
